

## Collect your points

Reward Points are given for purchasing products listed in the points tables below. The amount of points awarded will vary depending on the volume or value of products you buy. Please refer to the tables to see the value of each of the products.

Points will be credited to your account on a monthly basis based on your previous month's purchases. You will receive a monthly statement once the points are credited, sent to your registered email address.

We will also run special promotions to enhance your points, so please look out and log on to your account regularly.

Full details can be found in the [Terms & Conditions](#).
